Price starts at \$135 + tax for 3 Man hour service. If we require more time due conditions, size or number of balconies, each additional hour is \$45 per hour.

But don't worry, in case we need more than 3 Man hours we will contact you in advance.

Just remember, we only work in teams to make the job more efficient, so 3 Man hours is the same as 1:30 hours for each person in a team of 2 people or 1 hour for each person in a team of 3 people.
